

Day 33 - Wisdom for Safe Travels

Friday, December 27, 2019

“Then you will walk safely in your way, And your foot will not stumble.” (Proverbs 3:23)

During the Christmas and New Year season, many of our loved ones may be traveling on the roads or via the airports for the holidays. We wish them safe travels knowing that the potential for an accident is higher given the traffic volume. We certainly want them to be safe as we look forward to reuniting at a future time. Fortunately with some of today's technological advancements like driving apps, digital highway signs and car safety-assist features, we can be alerted to hazards ahead of time. Our scripture today says, “Then you will walk safely in your way, And your foot will not stumble.” This verse from Proverbs 3:23 is safety advice a father gives to his son regarding navigating the roadways of life. He instructs his son to obey God's commands and the value of getting God's wisdom, knowledge and understanding. More precious are they than silver and gold, he states. So, as we travel consider the busy roadways about us and how best to travel safely, let us ask God for His wisdom, knowledge and understanding. He knows the best route, time and method to get keep us off the crowded roads and get us safely to our next destination.

Prayer: “Lord, thank you for being my protector. Please keep my family, friends and I safe this holiday season. I want more of your wisdom, knowledge and understanding to guide me safely through life. In Jesus' name I pray. Amen.”

Pray for God's continued guidance, protection, provision and success for Cliffard Whitby (Macon-Bibb 2020 mayoral candidate) and the Whitby2020 campaign team and supporters.

Pray that God would grow and increase this movement and energize individuals to co-labor with us for positive change.
