

Day 10 - Total Makeover

“Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!” (2 Corinthians 5:17)

In this current day of reality TV, there are a number of total makeover shows. The ones that I found interesting to watch were the home makeovers. Like most of the episodes, the home owners for one reason or another no longer found their home suitable. In some cases the space was cramped, outdated and falling apart. Conditions were so terrible at times, the owners were ready to just give up on the home. This is when they would realize they needed help and, the professional renovators would be called in. The professionals would walk through inspecting every part of the house including the attic and crawlspace. Following this, in a candid discussion with the home owners, the experts would communicate their vision and plan to make the home beautiful and functional again. This vision might entail knocking down walls, discarding accumulated junk from past years and brightening up the rooms. By the end of the show the anxiety, frustration and fear of the homeowners would be replaced with joy, tears and new possibilities. A great ending! 2 Corinthians 5:17 says, “if anyone is in Christ, the new creation has come: The old has gone, the new is here!” Praise God that when we invite Christ into our hearts (house), he helps us clean up the junk(sin), is able to knock down confining walls blocking us (unforgiveness, idols etc.), opens up the space and brings more light (love, joy and peace) within. What a wonderful vision He has for each of our lives and it is marvelous in our sight.

Prayer: “Lord thank you for your vision to totally makeover my life into something beautiful that I never could have imagined. May your light shine so brightly in my home that others will see it and desire your total makeover for themselves.”

Pray for God’s continued guidance, protection, provision and success for Cliffard Whitby (Bibb County 2020 mayoral candidate) and the Whitby2020 campaign team and supporters. Pray that God would grow and increase this movement and energize individuals to co-labor with us for positive change.
