

## Day 1 - A Time of Thanksgiving

“Enter into His gates with thanksgiving,  
And into His courts with praise.  
Be thankful to Him, *and* bless His name.”  
(Psalm 100:4)

Doesn't it make you feel good when someone says, “thank you”. God loves to hear it also. As you start your day today, remember to give God thanks for He is good. There are many things that we can thank God for no matter what is going on in our lives. Thank him for air to breathe, family, friends, food, clothing, a sound mind, a beautiful day... Although things may not be perfect in our society, in our homes or on our jobs, we can thank God that we are not in the midst of a famine, on a war field or in the wake of a tornado or storm. Thank God that you live in a country where you have a say in how it is governed because you have the right to vote. Thank God for people who will stand up for what is true and what is right? You can thank Him because He is a God of justice and nothing escapes Him. Do not wait until Thanksgiving Day to say “thank you”. Do it today and daily! As you focus on what is going right, you will see solutions to turnaround what is going wrong.

What are you thankful for today?

Prayer: “Lord help me to give you thanks in all situations knowing that you care for me, my family, community and my country.”

Pray for God's continued guidance, protection, provision and success for Cliffard Whitby (Bibb County 2020 mayoral candidate) and the Whitby2020 campaign workers and supporters.

Pray that God would grow and increase this movement and energize individuals to co-labor with us for positive change.
