

## Day 11 - Pass the Test

“He gave you manna to eat in the wilderness, something your ancestors had never known, to humble and test you so that in the end it might go well with you.” (Deuteronomy 8:16)

After a series of miracles, signs and wonders performed by God, the children of Israel led by Moses, left Egypt after 400 years of slavery. It was the beginning of their journey to the Promised Land that should have taken 11 days. When they cried out for food, God sent them manna from heaven daily. The manna was not something they could store up to keep for the next several days. So, they had to look to God daily for this vital provision. God in His wisdom knew that although He had taken this chosen people out of Egypt physically, they still harbored a slave mindset and attachment to the Egyptian way of life. If they were to be successful and exemplify His great name, they would have to fully trust Him and put away their old way of thinking. So, God tested them to prove their readiness to possess the Promised Land. In Deuteronomy 8:16, Moses says to the people, “He gave you manna to eat in the wilderness...to humble and test you so that in the end it might go well with you.” Unfortunately, despite the many miracles God had earlier performed, the people doubted Him. As a consequence, they were made to wander in the wilderness for 40 years. Their children inherited the promise instead. God is saying today, in your time of testing, stand firm and pass the test. Your blessing is just around the corner.

Prayer: “Lord I choose to trust you for my daily provision. Help me to grow as I go through my testing. I shall not wander. Thank you that my testing will produce an awesome testimony in Jesus’s name.”

Pray for God’s continued guidance, protection, provision and success for Cliffard Whitby (Bibb County 2020 mayoral candidate) and the Whitby2020 campaign team and supporters. Pray that God would grow and increase this movement and energize individuals to co-labor with us for positive change.
