

## Day 20 - The Sun Keeps on Shining

Saturday, December 14, 2019

“Io, I am with you always, even unto the end of the world. Amen.” (Matthew 28:20)

It's not uncommon on a very cloudy day for people to wish that the sun would come out. It's interesting that we say this knowing that each morning the sun rises and stays out until evening comes. What we see however is a sky full of clouds. If the clouds are gray and heavy, and especially if it's rainy, it dampens our spirits. Once the clouds part and the bright, warm rays of the sun filter through, we start feeling better. We know that the sun didn't decide to just come back. We understand it never left but was always on the other side of the clouds. When the clouds block our vision of the sun however, it seems that it is not there. The clouds are those obstacles that come to block us or seem to interfere with our normal routine. They sometimes stop us from fully experiencing the presence of the sun. In Matthew 28:20 Jesus tells His disciples, “Io, I am with you always, even unto the end of the world.” Jesus is saying to us also, in all situations no matter our obstacles, we can rest assured that He is with us. He is working all things out for our good when we trust in Him.

Prayer: “ Lord help me to know that in all situations, painful instances, loss or injustice, that you have not left me but are still near. Help me to hold to your truth no matter what and to always trust and believe in you. In Jesus' name I pray. Amen.

Pray for God's continued guidance, protection, provision and success for Cliffard Whitby (Bibb County 2020 mayoral candidate) and the Whitby2020 campaign team and supporters.

Pray that God would grow and increase this movement and energize individuals to co-labor with us for positive change.
