

## Day 29 - Lord Have Mercy!

Monday, December 23, 2019

“Then he touched their eyes and said, ‘According to your faith let it be done to you’; and their sight was restored.” (Matthew 9:29)

Among the many miracles Jesus performed, there are numerous stories of Him healing the blind. In Matthew 9:29 two blind men cry out for Jesus to heal them. It says, “Then he touched their eyes and said, ‘According to your faith let it be done to you’; and their sight was restored.” Jesus obviously understood the advantage and the importance of having clear sight. Who knows how long these men had stumbled around during their lives. Perhaps years had gone by and each year they had bumped into things, tripped down or gotten injured. Or perhaps they were restricted to sitting and begging day after day because of their condition. In verse one it says they followed Jesus around and called out, “Have mercy on us, Son of David”. Jesus did just that. He knew what a bad situation this was for them. After all, in Matthew 15:14 Jesus said, “If the blind lead the blind, both will fall into a pit.” So if you need direction today and clear vision going into 2020, cry out to God, He has promised to answer you. Don’t follow after others whose work lack vision. God said, “I will lead the blind by ways they have not known, along I will guide them; I will turn the darkness into light before them and make the rough places smooth. These are the things I will do; I will not forsake them”. (Isaiah 42:16)

Prayer: “Lord, thank you that you are a restorer of sight. As I look toward the New Year, 2020, keep my family and I safe and give me clear vision. Make my way smooth and expose all obstacles that would cause me to stumble. Lead me in your perfect way. In Jesus’ name I pray, Amen.”

Pray for God’s continued guidance, protection, provision and success for Cliffard Whitby (Macon-Bibb 2020 mayoral candidate) and the Whitby2020 campaign team and supporters. Pray that God would grow and increase this movement and energize individuals to co-labor with us for positive change.
