

## Day 7 - From Vision to Victory

“Where there is no vision, the people perish...”. (Proverbs 29:18)

On a recent trip to the Kennedy Space Center in Cape Canaveral, Florida, I was amazed at the paper prototype that Maxime Faget created of the future “space shuttle”. He described his vision to the NASA team of engineers as a space vehicle that would “launch like a spacecraft... and land like a plane”. In the early 1960s this was only a vision in his mind, but he could see it. The work was communicating the vision and getting others to not only grasp it but work together to make it a reality. As I looked at the paper prototype float across the room in the video presentation then displayed in the exhibit showcase, the pieced together parchment paper didn’t look like the revolutionary vehicle that it later became. If you visit the Kennedy Space Center, you can view the original Space Shuttle Atlantis now housed there. It is an impressive sight. Proverbs 29:18 says, “Where there is no vision, the people perish...” We are in need of a new and bolder vision for our lives and our communities to reach a higher level. There is so much more God has in store for us.

Prayer: “Father give us eyes to see your greater plan and purpose for our lives, families and community. Help us to hold firmly to your greater vision and purpose in order to revolutionize our world for your honor and glory”.

Pray for God’s continued guidance, protection, provision and success for Clifford Whitby (Bibb County 2020 mayoral candidate) and the Whitby2020 campaign workers and supporters. Pray that God would grow and increase this movement and energize individuals to co-labor with us for positive change.
