

Day 73 - Whose Plan Was It?

Wednesday, February 5, 2020

“In their hearts humans plan their course, but the Lord establishes their steps.” (Proverbs 16:9)

Have you ever put extra effort into planning your day? You may have had everything scheduled out just right. You knew exactly what time you would start and end your day. The only thing you forgot was to consult God on your plans. So, you get up the next morning and you are not feeling your best or your child is sick, the tire is flat, you misplaced your phone or your flight gets delayed. How do you deal with these mishaps? Do you fly off the handle? Scream at everyone you encounter and give up on getting anything productive done? Or, do you ask, “God, why is this happening? What is the purpose of this interruption?” In Proverbs 16:9 we are told, “In their hearts humans plan their course, but the Lord establishes their steps.” So, the next time your plans do not go the way you expect, regroup and ask God to show you the greater meaning behind it. He may be teaching you patience, problem solving, telling you to rest, wanting time with you, protecting you or want you to press through. The good thing is, when your plans are aligned to His will, He will establish your plans for you.

Prayer: “Lord, thank you for reminding me that You are always in control. As I plan my way, help me to continually seek your face. Please establish my plans. Give me wisdom in dealing with the unexpected things in life. In Jesus’ name I pray. Amen.”
