

Day 6- A Promise Keeper

“And by faith even Sarah, who was past childbearing age, was enabled to bear children because she considered him faithful who had made the promise.”
(Hebrews 11:11)

This time of year always reminds me that another year is almost gone. It causes me to reflect on goals and resolutions I made at the start of the year. Like me, many people start the year making promises to themselves about things they will finally tackle or goals they wish to achieve. Studies have shown however, that within the first three weeks of the new year, most people have already given up on their goals or resolutions. In Genesis 18, Sarah, Abraham’s wife, was told that she would have a son. Initially she laughed that she would be blessed with a child at such an old age. The messenger asked her, “Is there anything too hard for God?” So, she believed God, and a year later Isaac was born.

God has promised good gifts to those that believe in Him and walk in His way. Do you trust Him to keep His promises to you? Perhaps you are doubting because it seems too much time has passed, you aren’t the right age, or you just cannot see how it can happen. Be encouraged today and stand like Sarah. God is a promise keeper. There is nothing too hard for Him.

Prayer: “Lord increase my faith to know that you will be faithful concerning all the promises you have for me. Help me to look to you always and not at my circumstances, knowing you are well able to meet all of my needs.”

Pray for God’s continued guidance, protection, provision and success for Cliffard Whitby (Bibb County 2020 mayoral candidate) and the Whitby2020 campaign workers and supporters.

Pray that God would grow and increase this movement and energize individuals to co-labor with us for positive change.
